### HOME PAGE:

Resources Area includes direct links to recently added PHMSA Enforcement, Inspection Question Sets, PIPES Act Chart, Org Chart, FAQ's, Cooperative Agreement Maps, printable CFR Code Books, redlines of NPRMs, and printable :AIR guides.

We will continue to build out this section to provide easy access to current and routinely used pipeline safety information.

The screenshot shows the Evergreen:air™ home page. On the left, a sidebar contains a 'Welcome, Kim McDaniel!' message, a subscription expiration notice for December 31, 2029, and a section titled 'Evergreen:air™ Modules'. This section lists three options: ':AIR™ Search', 'Search Public PHMSA Data' (which includes Enforcement Actions, Interpretations, Special Permits, State Waivers, Enforcement Guidance, Advisory Bulletins, and Frequently Asked Questions (FAQs)), 'Browse/Search Regulations' (which allows browsing regulations organized into a folder tree structure or via keyword search), and 'Coming Soon'. Red arrows point from the 'Search Public PHMSA Data' and 'Browse/Search Regulations' options in the sidebar to a callout box on the right. The callout box contains the text: 'Clicking either one of these options takes you to the main search pages.' The main content area of the page is titled 'Evergreen:air™ Compliance Resources - The One Stop Shop For Pipeline Compliance Information'. It features a navigation bar with 'What's New', 'From PHMSA', 'TCL Developed', and 'Archives'. Below this, there are several sections: 'Inspection Question Sets (Updated January 2024) (Word/PDF)' with a dropdown menu set to 'Select One (2024)'; 'FAQs' with a dropdown menu set to 'Select One'; 'Enforcement Guidance (PDF)' with a dropdown menu; 'PHMSA Letter to NAPSRS' dated November 23, 2012; 'PIPES Act Chart' with a link to view the chart at full size, updated March 7, 2024; and 'PHMSA Org Chart'.

See AIR\_Browse\_Regulations and AIR\_Search\_Page\_Instructions sheets for details on the two search options.

The Home page can always be access by clicking on the home icon beside the Evergreen:AIR™ logo in the top left hand corner.
